Miller & Martin is proud to be the presenting sponsor of ABC of Georgia's Business Over Breakfast business education series held the first Friday of each month.

For the April session, the topic is "Cost Tracking for Potential Audits and Disputes." Presenters Kevin Krueger and Alex McBride, senior managers in the construction and real estate practice at Wipfli LLP, will provide guidance and perspective from an owner's consultant on managing construction costs to effectively respond to an audit or dispute.

Check the ABC of Georgia event calendar each month for the next Business Over Breakfast topic details and to register to attend.

Business Over Breakfast provides a place for ABC members and others on the business side of construction to come together on a regular basis to discuss ideas of common interest. Possible topics include the areas of risk management, HR, insurance, accounting, and financing.

Meetings will take place the first Friday of each month. Each meeting will begin with a short presentation on a focused business topic of interest to construction business owners, administrators, presidents and vice presidents, CFOs, CEOs, and managers, followed by open discussion. We intend to have time for open discussion on any hot topics or issues that the attendees are having in their businesses as well, as well as for networking.
