What's new regarding the *Family and Medical Leave Act* (FMLA) *and Americans with Disabilities Act* (ADA), you may ask?

Two main things this year: (1) how courts are applying these two federal laws in some both traditional and non-traditional fact scenarios and (2) how your employees are asking to apply these two federal laws in some both traditional and some "outside the box" ways.

Join us for our annual mix of a practical and legal discussion on these topics.
