

McCarter Presents Electric Vehicle (EV) Risks Workshop at Auto Intel Summit 2021

Posted in Event on April 30, 2021

Miller & Martin's Automotive Industry Practice Chair Jason McCarter is among industry thought leaders presenting in conjunction with the [Auto Intel Summit](#) held virtually May 17-19, 2021. Mr. McCarter's On-Demand Workshop "[Tempered Enthusiasm – A Survey of Electric Vehicle \(EV\) Risks](#)" will cover some of the challenges and risks EV manufacturers, dealers and remarketers should consider in terms of reputational risk, liability concerns and insurance needs as they go down the exciting road of alternatively-fueled vehicles and investments.
