Posted in Event on September 14, 2021

Miller & Martin is proud to be the premier sponsor of the Tennessee Bar Association's Litigation Law Forum 2021 to be held virtually on September 16. Miller & Martin's litigation attorney Zac Greene is this year's program producer. This year's program will allow attendees to get to know Tennessee's new Chief Justice and hone their appellate practice skills with input from state supreme court justices, courts of appeals judges, and seasoned practitioners. Attendees will learn what judges and attorneys should expect as the legal community continues to deal with the impact of the COVID-19 pandemic and will hear more about the importance of diversity in litigation practice and judicial decision-making.
