Business Over Breakfast provides a place for ABC members and others on the business side of construction to come together on a regular basis to discuss ideas of common interest. Possible topics include the areas of risk management, HR, insurance, accounting, and financing.

Meetings will take place the first Friday of each month. Each meeting will begin with a short presentation on a focused business topic of interest to construction business owners, administrators, presidents and vice presidents, CFOs, CEOs, and managers, followed by open discussion. We intend to have time for open discussion on any hot topics or issues that the attendees are having in their businesses as well, as well as for networking.
