Best Lawyers has published their list for over three decades, earning the respect of the profession, the media, and the public as the most reliable, unbiased source of legal referrals. Its first international list was published in 2006 and since then has grown to provide lists in over 75 countries.

“Best Lawyers was founded in 1981 with the purpose of highlighting the extraordinary accomplishments of those in the legal profession. After three decades, we are proud to continue to serve as the most reliable, unbiased source of legal referrals worldwide,” says CEO Phillip Greer.
