Posted in News on August 19, 2021

Miller & Martin PLLC attorney Douglas T. Johnson was recently recognized by Best Lawyers® as the 2022 “Lawyer of the Year” in the Chattanooga Area for Patent Law.

Only a single lawyer in each practice area and designated metropolitan area is honored as the “Lawyer of the Year,” making this accolade particularly significant. These lawyers are selected based on particularly impressive voting averages received during the peer review assessments. Receiving this designation reflects the high level of respect a lawyer has earned among other leading lawyers in the same communities and the same practice areas for their abilities, their professionalism and their integrity.

Johnson concentrates his practice on trademarks, technology and patents and on intellectual property litigation. He negotiates software licensing and technology agreements for both technology companies and end users. Johnson also coordinates trademark prosecution and administration, patent prosecution and administration, patent portfolio strategies, and intellectual property litigation for companies with international brands primarily in the food, sports, carpet and consumer products industries. He is also active in the domestic and international licensing of clients’ intellectual property rights.

In addition to the “Lawyer of the Year” award, Douglas T. Johnson was also listed in the 2022 edition of *The Best Lawyers in America* in the following practice areas:
